- b. The drainage easement south of Lynnhaven Lane has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation and that it may, therefore, be vacated pursuant to Section 8333(a) of the California Streets and Highways Code.
 - c. The drainage easement south of Lynnhaven Lane is no longer needed for present or prospective public use.
3. Adopt the Resolution of Summary Vacation.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to vacate the drainage easement south of Lynnhaven Lane (Easement), since it no longer serves the purpose for which it was dedicated and is not required for public use.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Fiscal Responsibility (Goal 4). The vacation of the easement will eliminate unnecessary maintenance cost and reduce the County's possible future exposure to liability.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The applicant has paid a \$1,000 fee to defray the expense of the investigation. The fee was authorized by your Board in a resolution adopted May 4, 1982, Synopsis 62 (Fee Schedule), and as prescribed in Section 8321 (d) of the California Streets and Highways Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 6,757 square feet and is shown on the map attached to the resolution.

The Streets and Highways Code Section 8333 provides "The legislative body of a local agency may summarily vacate a public service easement in any of the following cases: (a) The easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation." Streets and Highways Code Section 8306 defines "public service easements" to include

storm drain easements. Section 5400 of the Health and Safety Code provides that a County board of supervisors may vacate an easement for sewage or drainage purposes whenever it determines the easement is no longer required for public use.

The County's interest in the easement was acquired in 1947 by dedication in Tract No. 14178, recorded in Book 298, page 8, of Maps, in the office of the Registrar-Recorder/County Clerk of the County of Los Angeles as an easement for drainage purposes.

C & K Landscape Design on behalf of Mr. and Mrs. Gary Mittelberg, along with other adjoining property owners, requested the vacation to build a retaining wall within the easement as part of a home and landscape remodeling project on the Mittelberg's property. The vacation of the easement will provide an additional buildable area.

Adoption of the attached resolution will terminate the County's rights and interest in the easement. Your action will result in the properties being unencumbered of the easement, and available to the property owners for use without restriction of the easement.

ENVIRONMENTAL DOCUMENTATION

These actions are categorically exempt from the provisions of the California Environmental Quality Act (CEQA) as specified in Sections 15305 and 15321 of the State CEQA Guidelines which states that this class of projects consisting of minor alterations in land use, limitations and actions to revoke entitlement for use, issue and adopted by the regulatory agency, have been determined not to have a significant effect on the environment.

IMPACT ON CURRENT SERVICES OR (PROJECTS)

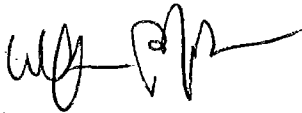

These actions will allow for additional property taxes through elimination of the easement.
